"BIG HUNK"—The little Babe Ruth of Tex Driskell's Rangers, Sammy Ortega, 9, who strikes terror in the heart of pitchers when he picks up his bat and faces them. He has to grip the bat tightly too, because it is almost as big as he is, three feet tall. Behind him is his team mate, Ronnie Canales, also 9, son of the well known catcher, Sid Canales of the Mexican Colony softball team. (Photo by Frank Partridge.)

Drive Against Easley Drops Into Oblivion

Prospects of a write-in campaign against Fourth District Supervisor James I. Easley skidded downward yesterday and today had practically disappeared. Because Easley was elected at the June 1 primary.

Election department officials at Riverside Wednesday said Easley's name won't even be on the ballot. And neither will there be any place on the ballot in which to write in a possible opponent's name.

Easley's certificate of election is already on file in the county clerk's office, it was added.

Beaumont and Banning newspapers which took up the cudgels against Easley after the cement mill arguments, were given a severe set-back when the word came from the election department. They had no material for a campaign left.

Kids Nearing Climax

Opponent for Del Tahquitz Indians in Title Series To Be Chosen in "Big" Game Tuesday

The final and deciding tilt of the three-game series between Pete's Pioneers and Tex Driskell's Rangers in the Boys' League is scheduled for Tuesday night at the Field Club.

The first game played last Tuesday night had to be stretched an extra inning to eight ending in a final tally of 8 to 6 in favor of Pete's Pioneers. An error on the part of a Rangers' outfielder accounted for the two runs in the last frame. It all started when Jimmy Judt singled. Chilo Romero followed and hit a hard grounder beyond the reach of the infield. The ball then rolled between the legs of an outfielder, resulting in a single being stretched to a home run on an error.

WEDNESDAY NIGHT the Rangers came back strong. In seven innings they rolled up a score of 12 to 3 for Pete's Pioneers. Rudy Martinez, tossing.

Study Report Of Kidnapping

An amazing story involving an armed kidnapping followed by an automobile ride of more than 100 miles was reported by the victim to Palm Springs police Wednesday night.

Mrs. Helene Brown, 19, 137 North Vista street, Los Angeles told police that she was leaving the Burbank airport at 4 p. m. Wednesday when a young man shabbily dressed forced his way into her automobile when she

"Coney" Springs Is Out

Council Says "No" to Application To Install Amusement Park Type Game in Village

"We are not going to permit the City of Palm Springs to become a honky-tonk with shooting galleries, pokerino and bingo parlors or permit the operation of penny arcades."

So said Mayor Charles Farrell in warning Lyn Brown, before the latter arose to address council in behalf of an application he had filed for the establishment of a race-horse novelty game.

But the warning fell on deaf ears. Brown told council anyway that the city must have amusements to keep tourists entertained while here.

HE ANNOUNCED that the game he wishes to install in Palm Springs is sweeping the country as one of the most amusing devices of the century. He compared Palm Springs with Atlantic City, Venice, California, Coney Island and Hollywood.

"We don't give money away to the prize winners," continued Brown. "All it costs for an individual to play the game is ten cents and the winner will just get merchandise."

WHEN HE FINISHED the Mayor shook his head. "Gentlemen," he said, turning to the council members, "what are you wishes in the matter?"

The answer was no. "You see, Mr. Brown," said Mayor Farrell, "the comparison you made between this city and Coney Island, Atlantic City and Venice defeated your application."

It'll Be a Big Season

Junior Chamber of Commerce To Get Going With A Bang at Charter Night Ceremony October 16

Palm Springs Junior Chamber of Commerce, organized early this year, is getting away to a fast start with its plans for the new season which, it anticipates, will be the biggest and best ever. Highlighting early activities are plans for Charter Night, designed to give the organization and the Village a rousing send-off.

Charter Night has been set for October 16 with district, state and national representatives present as well as local celebrities and entertainment. Several movie "big" Ed Hawkins has been named general chairman of the affair.

MAYOR CHARLES FARRELL was presented with a gavel at the city council meeting Tuesday afternoon and at that time was formally invited, along with the council, to the Charter Night ceremony.

During this coming season the Junior Jaycees will meet in the Legion hall Auxiliary room on the second and fourth Mondays of every month, with the first meeting to be held Sept. 13.

City Plans Early Action On Streets

Flood Damage Repair And Paving Plans Before Councilmen

Street paving and repair of flood damaged streets featured city council session Tuesday with each councilman reporting that his constituents are besieging him to "get something done about our streets." After adjournment at 5:30 p. m., councilmen met as a "committee of the whole," to continue the discussion.

AS FOR THE REPAIR of flood damaged streets, City Manager William E. Alworth said the work is being coupled with the seal-coating job of 19 miles of streets now in progress. He said that as the street crew reaches a flood-damaged area, it is repaired along with the seal-coating job.

"However," added Alworth, "in areas where seal coating is not planned and where flood damage exists, the crew while waiting the delivery of additional road oil, moves that area and repairs the damage."

COUNCILMEN pleaded for patience by Villagers on flood damaged streets. The task of repair is going ahead as rapidly as possible, it was declared.

Alworth informed councilmen that a representative from the California division of highways last week inspected the damages done by the recent flood and an answer to the city's application for financial assistance for repair work is expected soon.

FOLLOWING the committee meeting at the Ingleside Inn, it was learned that councilmen are determined to remedy the un-paved street situation in the Village and that action may take place at the next council meeting September 15.

Use of the street assessment act will result from failure on the part of a few property owners to enter neighborhood street paving plans.

"THE VOLUNTARY plan put into effect more than a year ago," said Alworth, "usually found 75 to 80 per cent of the property owners in agreement on the paving of streets in front of their properties. The other 20 or 25 per cent either were indifferent or refused to enter the agreement, nullifying it."

It was pointed out that if council decides to invoke the 1911 street improvement act, property owners will pay approximately 20 to 30 per cent more for paving than under the voluntary plan.

Councilmen All in Favor Of Simplicity

No Eye-Distracting Art on Street Signs, Board's Decision

It's decided now, definitely and irrevocably.

City Council in session Tuesday threw artistic designs, desert scenes, sun beams and palm trees out of the window in selecting the type of street signs Palm Springs will use—955 of them at a cost which will vary from \$3323.40 to \$3823.40.

Selected was a simple design comprising block letters for the name of the street and above that the number of the street block.

IT TOOK several meetings of the city planning commission and many discussions by councilmen before the type of street sign was finally decided.

Several planning commission members and councilmen originally favored some type of art work above the name of the street. But in the end, simplicity won unanimous endorsement of both planners and board members.

"WELL," declared Mayor Charles Farrell, "I like those pretty signs but if everybody wants just a plain street sign, I'm for it, too."

Councilman Florian Boyd said, "I don't care what kind of sign we decide upon, but let's get the darn things up."

Engineer George Minturn will be ordered to get on with the job as soon as possible.

Memorial

Village Pays Tribute To War Hero Hall

Memorial services were held Sunday at 10 a. m. for Marine Sergeant Allen R. Hall Jr., in front of the memorial plaque at the American Legion Hall.

On the same day services and funeral for Sgt. Hall Jr., were being held at Carrington, North Dakota, attended by his mother and father, Mr. and Mrs. Allen R. Hall. Interment was made in the family cemetery plot in the North Dakota town.

Sergeant Hall, who lived in Palm Springs with his parents at 1868 South Palm Canyon Drive, was well known in the Village and was an outstanding athlete at the Palm Springs high school. Services here were also held at the same time for Kenneth W. Neece, brother-in-law to Mrs. Jay Morrison, president of the American Legion Auxiliary. Neece, who was a civilian pilot flying for the U. S. Government, lost his life in South America during World War II. His funeral took place in Fresno, Wednesday.

Walter Siemon, Legion post chaplain, read the services. The flag was lowered as memorial wreaths of poppies were placed at the base of the plaque.

Parking Meters

Decision on Locations Expected Sept. 15

When City Council convenes September 15, one of major topics will be study of six proposals submitted for the installation of street parking meters.

A survey now being conducted to determine location of the meters will be completed by that time.

Installation of the meters may be done either with or without cost to the city. However, whichever plan the council adopts, cost of installation plus cost of meters will ultimately be paid from parking revenue.

September 2nd can go down as the hottest day of the year and there's the hope expressed that it's not "to date" but for sure. The maximum hit 118 yesterday and the night before was one of the warmest. The mercury didn't get below 82.

NO MIRACLES—Congress has no panacea for the nation's troubles. Congressman John Phillips told newsmen Monday. It's going to take co-operative hard work by the nation.

Congressman Says—

U. S. Problems Can be Solved By Hard Work

Congress has no panacea for the troubles of the nation or the world and it is up to the people to buckle down to work for a solution of today's problems, Congressman John Phillips told a press conference at Riverside Monday night.

The congressman spoke without notes and covered a wide variety of subjects, some of them induced by questions put to him by his audience.

MAJOR SUBJECTS touched upon ranged from agriculture to atomic energy, from housing to the cost of living.

Harry C. Harper, well known Villager and former manager of the chamber of commerce here, was chairman of the meeting which was attended by newspaper and radio people from throughout the county. It was Phillips' first talk since his return from Washington.

GRAVEST SITUATION, according to the congressman, is the potential water shortage in southern California.

He was bitter about Arizona's demands under the Colorado

See U. S. PROBLEMS, Page 12

New Plants To Provide Room for All

Unified District Will Have Sufficient Seats First Time in Years

School bells will start ringing on time throughout the Palm Springs unified school district September 15 and there will be a seat for every pupil ranging from those in the kindergarten grade through the senior year at Palm Springs high school.

There'll be enough class rooms to take care of the kindergarten enrollment for the first time since the close of the war, according to Miss Katherine Finchey, superintendent of the grammar schools.

OF THE THREE kindergarten class rooms under construction now, two will be completed in time for school opening September 15, Miss Finchey said. One will be ready at the Francis Stevens school and the other at the Cahulla school. The third one now being constructed in addition to 12 grammar school rooms on Riverside Community grounds, will be ready later.

Six additional class rooms, making a total of eleven, will be ready to accept students at the Cahulla school September 15, said Miss Finchey. Other new class rooms which will be ready on time are three at Cathedral city for a total of five there and three at Desert Hot Springs bringing the total to six.

Each class room will seat 30 students.

EACH YEAR, Miss Finchey said, since the close of World War II there has been an increase of approximately 25 per cent in school enrollment.

"We are anticipating the same increase by the time the height of the season rolls around," Miss Finchey said.

She added that all of the class rooms now under construction may not be needed this year, "But we are expecting an increase in students annually and want to be ready," declared the school superintendent.

Busy Man

Harry C. Harper, former chamber of commerce manager and at present public relations counselor, will not be in the Village much this fall, he said this week.

He has accepted the chairmanship of the Riverside Community Chest drive and with a large goal set up, expects to be a busy man at the county seat.

The PUBLISHER'S
by OLIVER B. JAYNES Corner

NEVER BEFORE IN HISTORY has there been such a challenge to youth because never before has the future of the world seemed so uncertain. First of all, of course, is the peace of the world. This generation has done more toward invention of destructive weapons than the creation of international understanding. War has left the world in a chaotic state, brought untold human misery and solved few international problems. This is an unhappy combination of circumstances; the threat of another world conflict and the realization that it might be the end of us all. A way must be found within the next 10 or 15 years to bring about an acceptable plan of living for all peoples, a world order that will satisfy the needs of all nations and some form of international law (backed up by force) that can settle world problems without wars.

That is the challenge. The leaders of today, we hope, can hold the line for a few more years; the real solution of an uncertain future lies ahead.

RECOGNIZING THESE FACTS, America has set this month of September to pay tribute to its youth. With the slogan "Salute to Young America," our nation hopes to impress on every man, woman and child in the land the responsibilities that will soon face our young people—and to help prepare them for these important years.

Attention will be focused on character building agencies, developing good citizenship and a renewed attack on the juvenile delinquency problem. Here in Palm Springs, we should take greater interest in such agencies as the Youth Center, Boy and Girl Scout organizations and the Boys' Club. Volunteer adult leadership is essential. In this connection, The Desert Sun pays tribute to Frank Partridge whose work with boys is one of the finest and most important contributions to our future welfare being made by any resident of the community. It is hoped that the Youth Month program will awaken public interest in these character building agencies and aid toward their support.

IN THE HOME is where the youth guidance should start. As a matter of fact, juvenile delinquency and practically all of our youth problems, stem from an improper or unwholesome home environment. The greatest good from this Youth Month program can come by awakening parents to THEIR responsibility. Their part is to take their children seriously. A proper home is one in which the children enjoy living and take an actual part... a place where they feel secure. Parents, by example, can teach their children patriotism, high moral standards and a sense of responsibility to their fellow man.

This Side Of The Sun

By PHAT

Alas, alack and I am back A-voir-du-pois rampant. The way I ate throughout the state Doth strain my ev'ry pant. To dine and nap across the map Was my idea of fun. But the figure, it got bigger During the vacation.

*Accent on the last syllable, please.

Relax... There won't be anything heavy... This piece isn't designed to lay on any stress or strain in this kind of weather... One conclusion drawn from roaming around was that every little restaurant in the state is situated on a mountain of mashed potatoes, flanked by foothills of peas and carrots... To a guy who likes his potatoes fried or perhaps au gratin, it was a sad scene... Some places designated their potatoes as "whipped"... They certainly looked beaten down and dejected... But I had a lot of good hot dogs—plus everything—along the line.

ONE GRAND PLACE, however, was at San Clemente where Lee Bering is now holding forth. No mashed potatoes (nor hot dogs)... Bering, by the way, is a busy man... There must be something about these swank clubs that keeps a man on the

County Cold War Nearing End

Supervisor Easley Prepares To Close Rift
Between Board and County Planning Commission

Threats of a rift between county supervisors and the county planning commission, arising from the discussion and adoption of the Palm Springs zoning ordinance, were being dissipated today as result of board action Monday.

Supervisors let it be known that they wanted to sit in on the next meeting of the planning board.

Supervisor James I. Easley of the fourth district realized the peace dove when he said:

"There are a lot of things we ought to iron out with them, and I think they're a little peeved at us."

Several commission members had said their body was "being used as a rubber stamp" when Supervisors asked them to give

quick approval to the recent zoning ordinance which barred the cement plant northeast of the Village.

The planning commission was in favor of the zoning ordinance, but its recommendation to add variance clauses which would allow "controlled" industry was disregarded by supervisors.

It is expected that commission members and the supervisors will discuss a proposed basic county zoning ordinance and a proposed building code when they meet together.

Former Villager And Friend Killed In Airplane Crash

Paul E. Carr, 28, well known here as a petroleum products distributor, and a former resident of Palm Village, met death in an airplane accident between Beaumont and Redlands last week end, friends here learned this week. With Carr in the ill-fated craft and also killed, was a lifelong friend, Warren Blake, 27, of Indio.

Carr, Signal Oil representative at Beaumont, was demonstrating his airplane, a converted army basic trainer, to Blake on a flight over San Timoteo canyon when it hit a power cable and crashed, according to sheriffs' deputies.

BOTH WERE DEAD when searchers arrived at the scene of the accident.

The two young men had been chums since school days in Coachella valley and served together in the United States navy in the last war.

Carr was the son of Mr. and Mrs. Howard Carr of Palm Village. The senior Carr is Signal Oil distributor for Coachella Valley and his son was for a time in that business here. For the past year he had been making his home in Beaumont. Blake is the son of Mrs. Dot Harvey of Indio.

FUNERAL SERVICES for Carr were held Wednesday morning at Indio. Pall bearers were Paul Tarr, Henry Middleton, Mark Hopp, Albert Carr, Jesse Smiley and Ned Peebler. Services for Blake were held yesterday in Glendale.

Carr is survived by his parents, a brother, William, his wife, Eleanor, and an 11-month-old son.

No inquest was held into the cause of the crash.

Navy Receiving Applications for Aviation Training

Applications are now being accepted for naval aviation cadet training, Chief E. H. Chittenden, recruiter in charge of the U. S. Navy recruiting station in the Riverside post office, announced yesterday.

Both veterans and non-veterans may apply for this training, he said, which is open for the first time in almost two years.

TO QUALIFY, Chief Chittenden said, the applicant must be a male citizen between his 18th and 25th birthdays. He must have satisfactorily completed a minimum of two full academic years of study at an accredited college or university, must be single and must pass physical and mental standards established for entry.

In addition, the applicant must prove psychologically suited for military aviation.

MEN CHOSEN will be required to enlist for a four-year period of service. This, Chief Chittenden said, includes 18 months of flight training in cadet status and results in commissioned rank as a naval aviator in the naval reserve or the Marine Corps reserve.

Service under this program will fulfill all of the obligations set forth by the new selective service act, according to the recruiter. Detailed information regarding duty and application method may be obtained at the navy recruiting station.

The Yale Bowl, built in 1941, was the first modern stadium with a capacity larger than the ancient Roman Colosseum.

Appreciation

Supervisors Grateful
For Navy Aid Offer

A resolution expressing the appreciation of Riverside county for the action of the U. S. navy in making its polio ward at the naval hospital in Corona available to county polio patients was adopted by board of supervisors Monday.

Copy of the resolution was forwarded to Capt. Robert E. Duncan, commanding officer at the hospital. Several weeks ago Captain Duncan opened the hospital to patients from Riverside and the Los Angeles General hospital, relieving critically taxed facilities.

Riverside county hospital was particularly aided because it has not been able to employ enough physical therapists to adequately care for its polio patients, supervisors noted.

NO MIRACLES—Congress has no panacea for the nation's troubles, Congressman John Phillips told newsmen Monday. It's going to take co-operative hard work by the nation.

FASTER than SOUND

We have heard a great deal lately about the speed of sound because of the efforts of airplane makers to build planes that can fly faster than sound. "crack the sonic wall," as they say.

Sound moves at the rate of about 740 feet a second at sea level but such velocity is only a snail's pace compared to the speed of a voice moving over telephone lines. A word spoken into a telephone transmitter travels from 12,000 to 175,000 MILES per second, approaching the speed of electricity.

Whenever you wish to communicate with someone far away, talk Long Distance and overcome the handicap of time.

Funeral Services Held for Victim of Motorcycle Crash

Funeral services for George Stark, 18-year-old victim of a motorcycle accident late Saturday night, was held in the chapel of Wiefels' Mortuary at 6 p. m. yesterday. Interment was in Palm Springs cemetery.

Young Stark met death when his motorcycle crashed through a closed gate of the Palm Springs airport on East Ramon road. His body was not discovered until 7 a. m. Sunday.

According to police he had borrowed a friend's motorcycle for a short ride a little after midnight Saturday.

Riverside county coroner's office attributed Stark's death to a skull fracture and multiple lacerations of the head. No inquest is planned.

His sister, Miss Jerry Stark, who came here from Los Angeles Sunday afternoon, made arrangements for the funeral with the approval of her mother, Mrs. Nellie Stark of Beach, North Dakota, who arrived in Palm Springs in time for the service.

The accident victim has lived in the Village for approximately two years. He had been employed by the Limelight News.

State Flags

Colorful California Banners on Display

Colorful flags and banners typifying California's three-year Centennials program will be displayed for the first time in southern California in the "Old Miner's Week" celebration at Big Bear Lake starting today and continuing until September 12.

The specially-designed flags, suitable for decorating city streets and parade routes, have been produced by the State Centennials Commission for appropriate use by communities and organizations free of charge. Sixty lines of these outdoor decorations, which depict the Centennials theme, have been prepared. Each line has a center piece 5 feet by 9 feet flanked by two flags 4 feet by 6 feet.

Unamplified

Hearings Without Benefit of Mike

A suggestion that the board of supervisors' chamber in the courthouse—frequent scene of public hearings on various matters of wide interest—be equipped with microphones and other sound equipment was turned down by the board this week.

The suggestion was brought to the board in the form of a letter from the F-M Radio and Television company quoting an installation price of \$396 for five table mikes, several portable mikes for the floor, and loud-speaking equipment.

Juvenile Camp

Other Counties Invited To Use Facilities

Although the Riverside county juvenile forestry camp between Banning and Idyllwild is full at present, the board of supervisors Monday took the legal steps necessary to make the facilities available to other counties in California.

Judges in other counties may commit juveniles to the camp, but applicants must be approved by Riverside's probation officer and \$50 per month maintenance must be paid to the county for each juvenile.

The forestry camp, which meets all California Youth Authority requirements, has a population limit of 40 persons.

County Airports

Free Equipment To Be Received from Army

Riverside county will get another \$70,000 worth of airport equipment free from the federal government, County Airport Commissioner T. T. Hanna announced yesterday.

Hanna said that papers had been signed for the transfer of \$50,000 worth of equipment from the Goleta Marine Base Hanson Dam project.

The equipment will be used to equip the county's string of ex-army airports.

Cafeteria equipment, a crane and a huge lumber carrier, bunk beds and new metal lockers are included in the transfer.

Up To Workers

County Cites Policy On Training Tours

Survey of county departments, offices and township offices to determine the number of men eligible for tours of active training duty with any one of the military reserve components, or eligible for the new draft, was ordered by the supervisors this week to be completed by September 13.

Under county policy, men eligible for training duty may take leaves with pay for 15 days, provided they do so with the permission of their department heads and their tour will not interfere with the conduct of county business.

County Counsel Earl Redwine pointed out to the board that such training duty was not compulsory and that orders were not issued except at the request of the man involved.

U. P. Official Moves To Higher Position

Arthur E. Stoddard, general manager of Union Pacific Railroad's eastern district, and prominent military figure, was today appointed vice president of Union Pacific and lesser lines to succeed the late W. H. Guild.

At the same time it was announced that H. E. Shumway, assistant to the president, would succeed Stoddard as general manager of eastern district and that L. J. Bachman, assistant to the vice president, has been promoted to secretary and assistant to the president.

Council Protests Two Licenses and Passes Up Third

Council Tuesday protested to the state board of equalization the issuance of an on-sale beer and wine license to William A. Johnson, operator of Stone's Date Shop and to Esther Gilbert who recently opened The Wagon Wheel at 175 East Amado road, former location of the Amado Cocktail bar.

No protest was made in the application of Rose and Freda Ploog, owners of the Carmelita Snack bar, 511 North Palm Canyon drive. Harry Mutascio, owner of the building in which the snack bar is located, appeared in behalf of the applicants.

He told council that his hotel, in which the snack bar is located, should have an on sale beer and wine dispensary so that tenants of the hotel would not have to travel three or four blocks to obtain a bottle of beer.

Barnyard hens of today lay eggs with shells of exactly the same structure as those laid by dinosaurs millions of years ago.

There were no bank failures in the United States in the year 1945.

No Protests

Council Files Notices Of License Renewals

No protests were lodged by city council against renewals of on-sale distilled spirits licenses for Arthur Lyons, Mr. Dee's; George L. Strebe, The Doll House; Bela Foldes, Palm Springs hotel; Frances Murray, El Dorado hotel; Jerome H. Dresdner, Del Tahquitz hotel, who made application for an additional license for the same hotel, and the Palm Springs Tennis club.

Let's Dance

Five Permits Okayed; Three Under Study

City council Tuesday approved applications for dance permits for the ensuing 12-month period for: Owen B. Coffman Post of the American Legion, Palm House, The Doll House and The Bombay. The latter permit is subject to inspection of a dance floor not yet installed.

Other dance applications were referred to City Manager William E. Alworth for inspection by the police and fire department and will be considered by council at its session September 15. They include the Palm Springs Tennis Club, The Racquet Club and the Amado Cocktail bar.

To Convention

Three from Village At Legion Session

Three delegates from Owen Coffman Post of the American Legion were on hand in San Francisco when the annual state convention of that organization opened yesterday.

Fay Bragg, post adjutant, said delegates attending are Bob Ellsworth and Ray Hiller and alternate, Everett Lucke.

Bill Davis of the Colonial

House left Wednesday as an area delegate for the Forty and Eight, fun-making division of the American Legion.

Bragg said he knew of no month.

Owen Coffman post member who plans to attend the national convention of the American Legion in Miami, Florida, next month.

Production Boost Told

Production of brick during July was 12 per cent greater than in the same month of last year, Roy A. Shipley, president of the Structural Clay Products Institute, stated.

Employment Office To Open Sept. 13

Palm Springs Employment office at 201 North Indian avenue will open for the new season Sept. 13 it was announced today. Freeman Fowler will return as manager.

Taxpayers Association Opposes Proposition One on Fall Ballot

Increased exemptions for veterans, outlined in Proposition No. 1 on the ballot for November, will throw the average taxpayer's budget out of balance, according to the California Taxpayers association.

The association opposes this proposition as well as No. 4, aged and blind aid; No. 14, housing bonds; and No. 18, state payment of taxation exemption losses.

In Riverside county, veterans' exemptions for 1947-48 totalled \$4,073,710 or 2.8 per cent of the \$143,200,180 total taxable valuation.

"Under present provisions veterans get an exemption of \$1000 of assessed value of property if they do not own property valued at more than \$5000. If they own property worth more than \$5000, they don't get the exemption."

"Proposition No. 1 proposes that the \$5000 value of property owned shall be 'assessed' value, thereby excluding from consideration property without an 'assessed' value, such as stocks, bonds and other intangible properties."

"Even with the \$5,000 ceiling on total property owned, veterans' exemptions have increased by leaps and bounds in the last few years," the association declared in a dispatch yesterday.

For 1947-48, 391,897 veterans had \$296,524,753 of property tax exemptions, compared with 210,198 exemptions totalling \$161,713,527 for 1945-46, first postwar year.

Learning Fast

Advances in Realty Education Revealed

Progress made by realtors in the educational field is shown in the mid-year report made to Hobart Brady, president of the National Association of Real Estate Boards.

Leland P. Reeder of Beverly Hills, national chairman of the educational committee of NAREB, has filed the report, showing definite advances.

The accelerated educational program was launched in a meeting at Chicago last May.

Chairmen were named for nine subcommittees, each of which agreed to undertake a specialized branch of this educational work.

Two of the subcommittees, reports Reeder, have already submitted outlines of proposed subjects and collateral reading for their branches of activity.

These are committees for a course in real estate practice and for a course in real estate fundamentals.

By the time of the NAREB annual convention in New York in November, Reeder expects the other subcommittees to have detailed reports and definite recommendations.

It is hoped that 1949 will see all these activities in full swing. The other subcommittees are those on four-year college courses, basic examinations, research, selling, appraising, farm brokerage and real estate management.

Objectives of the program, points out Reeder, are to aid those already in the real estate business and those interested in real estate as owners and investors.

Ste. Anne, mother of the Virgin Mary, made her livelihood making gloves—and is today the patron saint of glove makers.

Sam & Leo Store Opens for Season

Popular Market Will Feature El Gee Meats

Back in the Village this week came two popular store proprietors and operators, Sam Stuart, and Leo Baker, of the popular Sam & Leo's store in the north end of town.

Next to the excitement they registered at being back in the Village, was that shown over their plans for their new meat market. El Gee, famous name in meats, who run a market in Beverly Hills, and in the new Farmers' Market at Fresno, will operate Sam & Leo's meat market here during the coming season.

The store opened this week for the season. Along with the grocery department, are found fine fruit and

vegetable departments, a delicatessen and liquor store. The new meat market will this season feature fresh and fresh frozen sea food, fine meats, and poultry.

Carmela Mutascio Bride
Of William Kingsley at
Ceremonies on Sunday

Between eighty and ninety friends and Villagers witnessed the marriage of Miss Carmela Mutascio to William Edward Kingsley, Sunday morning at Our Lady of Solitude Church with the Reverend Michael O'Connor officiating.

Following a brilliant reception at the home of the bride's parents, Mr. and Mrs. Harry Mutascio, the couple left on a honeymoon trip which will take them to Long Beach, San Jose and San Francisco.

Although the new Mr. and Mrs. Kingsley plan to return to Palm Springs or Redlands, home of the bridegroom, to take up their permanent residence, they will spend the next six months in Everett, Washington, where Mr. Kingsley is being sent by the Bell Telephone company, on a special assignment.

Bridesmaids at the wedding were Miss Barbara Landrus and Miss Helen Lambeth. The matron of honor was Mrs. Petronilla Lambeth, sister of the bride. John A. Kingsley was best man. Music at the reception was by Pat Barbara and his band.

**Double Event
Scheduled at
Dotzauer Home**

Mr. and Mrs. D. D. Dotzauer of Long Beach will combine two great events on September 11. They will open their new home here that day and at the same time celebrate their 22nd wedding anniversary.

The new home is at 845 East Ramon road. The Dotzaues are not strangers to Palm Springs. They have been coming to Palm Springs and have been the charming guests of Mrs. Alpha Ferdon of El Casa Don on many occasions for the past ten years.

Many of their Long Beach friends have been invited to attend the formal opening of the new home and the wedding anniversary on September 11.

**La Fleurs Will
Be Back Soon**

E. A. La Fleur, manager of the O'Donnell Golf Course, and family, are having a "grand vacation" according to word to friends here.

They are touring the northern part of the state with Ukiah as their headquarters and spending the time in golfing, hunting, swimming and fishing.

They expect to return to Palm Springs early this month.

No Change

Council Again Sets
Tax Rate at \$1

The City of Palm Springs will collect \$170,500 in taxes for the year of 1948-49 based on a tax rate of \$1 per \$100 of assessed valuation. A resolution, setting the tax rate, was adopted by Council Tuesday.

The tax rate was based on an assessed property valuation of \$16,202,860, plus \$1,419,730 in personal property valuations and \$702,400 in solvent credit appraisals. The money will be collected by the county for the city.

HONEYMOONING—Mr. and Mrs. William Edward Kingsley (Carmela Mutascio), who were wed Sunday at Our Lady of Solitude church with the Rev. Michael O'Connor officiating. They are on a honeymoon tour of the coastal cities today. (McCulloch photo.)

**Here To Enjoy
Labor Day Stay**

Down here for the week and Labor Day holiday are Etienne Geraud, known to southlanders as "Toto," owner of Toto's French-American restaurants in Los Angeles, and his friend, Jack LeVan.

They are the house guests at El Casa Don.

Both have been coming here for many years and like Palm Springs as well in summer as in winter.

**Edwin Lanfield Jubilant
Over New Arrival**

Edwin Lanfield, operator of the fountain at Whelans Drug store, was seen rushing to Los Angeles by automobile Sunday morning and shouting at his friends: "I'm a grandfather," with much vigor.

On his return it was learned that a daughter named Judith Ann was born to his son's wife, Mrs. Jerry Lanfield, at the Methodist hospital, Los Angeles, Sunday morning.

lected by the county for the city. The legal tax rate permitted cities of sixth class to collect is \$1 per \$100 of assessed valuation.

**William A. Cards
Take Village Home**

Mr. and Mrs. William A. Card and their children, Gillette and Cathy, will make their home at the Harry Wolf residence on Merita Vista drive this season.

The cards have been visitors in the Village from Smethport, Pa., for the past ten years.

From Page 1—MORE ABOUT...

Kidnapping...

stopped it at a traffic signal. Displaying a nickel plated revolver she said, the gunman ordered her to drive.

"The only time he spoke," said Mrs. Brown, "was when he gave me directions which way to turn the car."

"When we arrived at the western limits of Palm Springs," continued Mrs. Brown, "he ordered me to stop and jumped out of the automobile. The last I saw of him was when he started running across the desert."

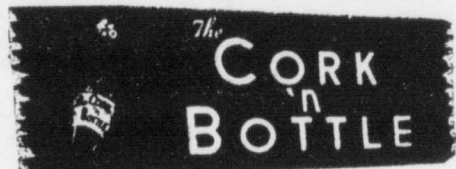

Police who went to the spot where the kidnapper had left Mrs. Brown's automobile, found a man's foot prints which they followed for approximately 100 yards out on the desert. The footprints then circled back to the highway and were lost.

Mrs. Brown's uncle was notified and later her husband arrived in Palm Springs to drive her back to Los Angeles.

Chief of Police Kettman said yesterday Mrs. Brown's report was being studied.

There are approximately 2100 miles of canals in the United States.

GOOD IDEAS**

KITCHEN TRICK

IDEA FOR a children's party—place scoops of vanilla ice cream on chocolate cookies, outline faces with chocolate bits and top with ice cream cone hats.

HOUSEHOLD HINT

MAKING A FRESH PEACH PIE? One pound of fresh peaches will yield about 2½ cups of sliced fruit. For a 9" pie you'll need 1½ lbs. of fresh peaches.

RECIPE

POTATO PANCAKES

3 cups grated raw potato
2 eggs, well beaten
1 ½ Tbsp. flour
¼ tsp. baking powder
1 Tbsp. minced onion
1 tsp. salt

Cover grated potatoes with cold water and let stand for several minutes. Drain thoroughly. Add beaten eggs and minced onion. Mix dry ingredients and add to potato mixture. Drop by spoonfuls into hot, well greased frying pan. Brown on both sides. Serves 4-6.

SATURDAY NIGHT DATE

YOU'RE INVITED to Weber's All-Star Western Theatre on Saturday night. Tune in for entertaining songs and stories of the West—famous guest stars, too. Every Saturday, 7:30 P.M. over KHJ, Los Angeles, or your local Don Lee Mutual Station. If you'd like to attend the broadcast, write KHJ, Los Angeles, for tickets.

RAF Flyer No. 1 in Draft

Registration Going Slowly With 56 25-Year-Olds Signing Up Monday and Tuesday; Most of Men Vets

Draft registrations at the Palm Springs Union High School is proceeding at a snail's pace according to Mrs. Roxilu Bohrer, in charge of registrations.

Monday and Tuesday, designated as the two days 25-year-olds were to register, saw only 56 men present themselves. The first one to do so was Michael Victor Allen, former Royal Air Force bombardier. Not yet 25 years of age, Allen, an Englishman in this country for two years, was awarded the Distinguished Flying Cross and completed 30 missions against the enemy in the famed British Lancaster.

casters. He emerged from the war as a flying officer equal in rank to an American army first lieutenant.

Mrs. Bohrer said that nearly all of the men who registered the first two days were World War II veterans. Under the draft provisions, they will not be called into service if they served more than 90 days in any branch of the military service during the war.

Yesterday and today 24-year-olds were making their way to the high school. On Saturday and Tuesday, it will be the turn for 23-year-olds. Two days has been set aside for each successive age until the 18-year-olds are reached.

Mrs. Bohrer warned that those who missed their registration days must be registered by September 18.

P. S. Electric Wins by 2-1 Edge

Frank Devers allowed only two hits in his pitching for the Palm Springs Electric against the American Legion Wednesday night. It was good enough for the Electric team to win by the narrow margin of 2 to 1.

A signet ring that was found earlier in the week and turned over to Bob Bennett, recreational director, was restored to its rightful owner, Herb Rausch, member of the Legion team. The odd quirk to the story, according to Bennett, is that Rausch lost the ring last summer.

Charley Valentino Off of Police Force

Charley Valentino, member of the Palm Springs police department for two years, has terminated his duties on the police force as of August 30, it was officially announced yesterday.

During most of his service as a police officer, Valentino acted as traffic officer on Palm Canyon drive during the winter months. It is understood that he plans to remain in Palm Springs.

City Gets Gas Tax

City treasury was enriched to the extent of \$4384.22 representing Palm Springs' share of California state gas tax money for the quarter ending June 30, 1948.

Today's biggest power bargain

Pay as you drive if you wish

It's a Complete New Buick Engine and We'll put it in Your Car at a Price You'll hardly Believe

YES sir, here's a big bargain for Buick owners—a brand-new straight-from-the-production-line Fireball engine. We'll put it in any Buick from 1937 models on up.

We'll take out your old mile-weary engine, put this one in, and make your car brand-new again as far as power is concerned.

Pep and snap come back—right up to 1948 standards. You get new-engine mileage from every gallon of gas. Oil consumption drops. And you enjoy the thrill of the liveliest, most responsive engine on the road today—the same engine that makes Buick the

snappiest car on the highways.

Think what this will mean to you—in comfort of driving—in new dependability—in sheer fun. Think of the extra worth of your car when it comes time to turn it in.

As to cost—it's so moderate it makes this change-over today's best power buy. Installation cost varies somewhat with car model. But we'll be glad to give you the figure down to the dollar if you'll drive around.

Don't put it off. Make up your mind to drive a 1948-powered car now. Come in and talk it over.

WHY WE CAN MAKE THIS OFFER

Out at the Buick plant, engine production is going great guns. It's stepping along faster than complete car output. So we have these brand-new engines ready to put in your car right now.

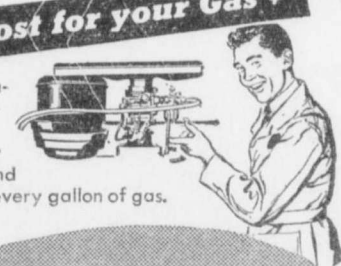

Quick Starts and Driving Zip

This 1948 ignition system with centrifugal and vacuum automatic control puts snap and go into starting and get-away.

Most for your Gas \$

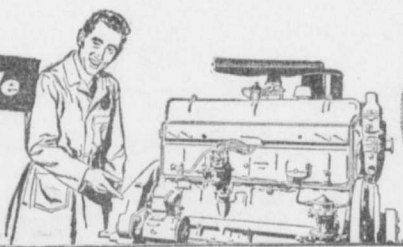

An up-to-the-minute, efficient carburetor and air cleaner give new smooth power and most miles from every gallon of gas.

BUICK CARE KEEPS BUICKS BEST

A Delight to Handle

A "smoothie" if there ever was one! This new clutch with its easy, toe-touch response makes driving more fun than ever.

Dr. Morris Book To Conduct Two Services Sunday

Dr. Morris Butler Book, noted radio announcer and minister, will occupy the pulpit at Community church at both services next Sunday and will also teach the adult Sunday School class at 9:45 a. m. that day. Mrs. George French, in charge of supply during the summer months, said yesterday.

Dr. Book was in radio, then newspaper work and finally turned to the ministry. He is a forceful and interesting speaker.

He will be the week-end guest at the home of Mr. and Mrs. French.

Big Season . . .

and receiving complete outlines of similar activities as sponsored by other organizations," he continued. "We have in our files now, complete outlines of all the successful programs sponsored by other Jaycees that have been worthy of state-award recognition. The awards are well worth the effort and the publicity for our city can not be equalled."

Russell Ehresman, formerly with radio station KCMJ was in the Village yesterday for a hurried visit. He left Palm Springs in February 1947 and is now employed in a traveling capacity for National Radio Personalities, 1000 Walnut street, Peoria, Ill.

Cathedral City Personals

Mrs. Russell Smedley and brother, Riley Egbert, attended the funeral of their step-mother in Los Angeles last week.

Warner Moon spent the week in the Village. He and Mrs. Moon will return home around September 15.

Russ and Lois Barkley have returned from their vacation and are hard at work on their new beauty salon to be opened on Sept. 7, in the new Linkletter building.

Roy and Margaret Potter, Marie Ide and daughters and the Bud Kelleys arrived home Sunday a. m. at 4:30 from their vacation to the Colorado river. They first went to Bishop, Calif., and found it so cold they went to the Colorado river, had a wonderful time, and caught many trout.

Mr. and Mrs. Willard Hillery are spending a few days at Catalina Island celebrating their wedding anniversary.

Dorothy Crawford and daughter, Jan, are spending a few days at Crestline.

The fire truck was called to

stand by a wreck on Broadway near the Knotty Pine, on Monday evening involving three cars. The cars were badly damaged but the occupants unhurt.

Casey and Hazel Jones and son, Paul, returned from a lengthy vacation in Arkansas.

Al and Doris Sprague were in the Village looking over the Blue Haven court. They have spent a very delightful summer in Washington and are now spending a few days in Banning before opening the court.

Mrs. Barry Pearl had word from Tennessee that her father, G. N. Dyer, was very ill.

Mr. and Mrs. Carl Vogel and son, Ronnie, owners of the Cathedral cafe on Broadway, have returned from Lake Tahoe where they spent the summer.

Word from Mary Wolseth reports a very interesting trip to New York City. She spent four days doing the city. Such as seeing the play, "Mr. Roberts," boat ride around Manhattan, a visit to the Metropolitan Museum in Tryon park and a number of other interesting sights along with shopping. She and Jim have two days art conference and then to leave for the desert. Their trip to take the month of September.

Alex and Rig Bowher, owners of the De Luxe Trailer park, are now vacationing at Gold Beach, Oregon. They are having a fine time, weather is fine and they think half of Cathedral City is vacationing there.

The Cathedral drug store and lunch counter will open the last of the week.

Herb Henry, owner of the Chevron station, returned from Rawlins, Wyo., where he spent a few days on business.

Mr. and Mrs. Dave Sheldon had charge of the De Luxe Trailer park for the summer but they are now moving to Palm Springs and Mr. and Mrs. G. Minnix, who were winter residents of the park last year, are to be the managers this year. The Brownkors will return later.

Mr. and Mrs. Mack Moore are spending two weeks in San Francisco on vacation.

Helen Hill and Mae Johnson of the Peter Pan bakery have been spending the summer at Idyllwild and Los Angeles. They will open the bakery some time in September.

In a letter received from Mrs. John O. Clark were the sad tidings of the death of their little grandson, John Read of Riverside, July 14. The sympathy of the whole Village goes out to them in their loss.

Miss Esther Peterson writes of a pleasant vacation at Redondo Beach.

Mrs. A. K. Dawson spent a few days with Mrs. Agnes Gould at Yucaipa. Barbara Dawson stayed on for a ten days visit. While there they visited Mrs. John Lively at Barton Flats.

O. H. Levier and sister, Mrs. Ethel York, visited at the John Lively home in Yucaipa.

Mr. and Mrs. A. K. Dawson and two daughters, Mariel and Barbara, are on a vacation trip to Oregon at present.

Mr. and Mrs. Charles Scherck and daughter, Myra, spent Sunday with Mr. and Mrs. Wm. Oliver at Running Springs, near Big Bear. They were having their first hot days in the mountains—perhaps a reflection from the weather we are having in the desert at present.

Year's Building Maintains Lead

August Permits Off Slightly But 1948 Far Ahead of 1947

Value of New Building Last Month \$310,425, Building Dep't Report

August, 1948, fell below the corresponding month of 1947 in total value of building permits but 1948, to date, was well in advance of last year to Sept. 1, according to figures released at the city building department Wednesday.

During the month ending Tuesday, 45 permits valued at \$310,425 were issued by the department. In the corresponding month last year, permits totalled \$502,550.

FOR THE YEAR, up to Sept. 1, value of new construction in the Village was \$3,840,347. In 1947, the first eight months recorded \$3,492,950 in new construction.

During August, this year, 10 new dwellings were started; alterations and additions to 13 other homes begun; work launched on six new apartment units and seven swimming pools and alterations and additions to apartments and hotels, made up the remainder of the permits.

TOTAL PERMITS last year reached \$6,661,154. It was the second six million dollar building year in succession.

At the city building department, staff members were not sure whether 1948 would prove a third six million dollar year.

With four months of the year to go, they expected a steady continuance of home building but did not foresee many large construction jobs to boost the total the needed \$2,200,000 to bring the year above the six million mark.

Mass Vaccination Program for Dogs Planned in County

All dogs roaming the desert area around Palm Springs whose owners live outside of the city limits are the target of a new county ordinance which may soon be adopted by board of supervisors.

The measure, requiring that all dogs in the unincorporated areas of Riverside county to be vaccinated against rabies, will be before board of supervisors at the September 7 meeting, Supervisor James Easley said yesterday.

He said that this would be the first step of a program designed to eventually bring all dogs under the license ordinance long desired by the county health department and some members of the board.

As planned, Easley said, the proposed ordinance would require a mass vaccination program, in which a number of veterinarians would take part and for which definite time limits would be established.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

August 30, 1948

TO WHOM IT MAY CONCERN:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

175-77 East Amado Road, Palm Springs, Riverside County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer of an alcoholic beverage license for these premises as follows:

ON SALE GENERAL LICENSE. Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

ESTHER GILBERT.

Volunteers Sought By Red Cross Active Campaign

A September drive for volunteers to help carry out a broad program of Red Cross public service this year was launched this week with the appointment of Mrs. Robert Elder of Riverside as recruitment chairman. It was announced by the Riverside county Red Cross chapter, Hilton McCabe, chairman of the local branch, received word of the activity this week.

Volunteers are urgently needed to maintain nine types of service to veterans, hospital patients, handicapped persons, children, and the public, McCabe said.

The drive will open September 20 and close October 1, with recruitment on a countywide basis through the chapter headquarters and the 13 branches in other cities.

Mrs. Roy D. Lay, chairman of volunteer services, said that all persons volunteering service will be given careful interviews to determine their principal interests and abilities and will take a short, intensive training course covering the type of service they select.

The Blue, or sulphur-bottomed whale, is the largest living animal. It attains a length of more than 100 feet and a weight of 150 tons.

LEGAL NOTICES

NOTICE OF SALE OF REAL ESTATE AT PRIVATE SALE

No. 12082
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF RIVERSIDE.

In the Matter of the Estate of ELMER E. KOLSTAD, Deceased.

Notice is hereby given that the undersigned, PRESTON W. JOHNSON, Administrator of the Estate of ELMER E. KOLSTAD, Deceased, will sell at private sale, to the highest bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by the said Superior Court, on or after Wednesday, the 15th day of September, 1948, all the right, title, interest and estate of the said ELMER E. KOLSTAD, Deceased, at the time of his death, and all the right, title and interest that the said estate has, by operation of law or otherwise, acquired other than or in addition to that of said deceased at the time of his death, of, in and to that certain lot, piece or parcel of land situate, lying and being in the County of Riverside, State of California, and more particularly described as follows, to-wit:

All that portion of Northeast Quarter of Southwest Quarter of Section 3, Township 4 South, Range 4 East, San Bernardino Base and Meridian, as shown by United States Government Survey, particularly described as follows: Commencing at the Northeast corner of the Northeast Quarter of Southwest Quarter of said Section; thence North 89 degrees 38 feet West along the North line of Northeast Quarter of Southwest Quarter of said Section, 660 feet; thence South 0 degree 22 feet West, 341.43 feet for the point of beginning; thence South 89 degrees 38 feet East and parallel

LEGAL NOTICES

with the North line of the Northeast Quarter of the Southwest Quarter, 175 feet; thence South 0 degree 22 feet West and parallel with the East line of the Northeast Quarter of the Southwest Quarter, 156 feet; thence North 89 degrees 38 feet West and parallel with the North line of the Northeast Quarter of the Southwest Quarter, 175 feet; thence North 0 degree 22 feet East, 156 feet to the point of beginning; EXCEPTING therefrom an easement for road purposes over the West 30 feet thereof. Said property is also shown as Lot 21 on Record of Survey on file in Book 12, Page 87 of Records of Survey, records of Riverside County, California.

The terms and conditions of sale: CASH in lawful money of the United States; ten per cent of the purchase price to be paid at the time of the sale; balance on confirmation of sale, or as may be contracted for.

The purchaser is to assume the payment of, and take the property purchased by him, subject to all the State and County taxes, and all assessments of whatsoever name or nature which are now or may hereafter be chargeable to or against the property purchased by him.

All bids or offers must be in writing and may be left at the office of JOHN MUNHOLLAND C-o Munholland & Co., Realtors, 431 N. Palm Canyon Drive, Palm Springs, County of Riverside, State of California.

or JOHN A. PAAP, Attorney at Law, 1206 Security Building, Long Beach, County of Los Angeles, State of California, or may be delivered to said JOHN MUNHOLLAND or JOHN A. PAAP personally in said respective Counties, or may be filed in the office of the Clerk of this Court, at any time after the first publication of this Notice of Sale.

PRESTON W. JOHNSON, Administrator of the Estate of Elmer E. Kolstad, Deceased.
Dated: August 17th, 1948.
JOHN A. PAAP, Attorney for said Administrator.
Pub. Desert Sun, Aug. 24, 27, Sept. 3, 1948.

CERTIFICATE OF BUSINESS

FICTITIOUS FIRM NAME

The undersigned do hereby certify that they are conducting a Carpet & Upholstery Cleaning business at Palm Springs, 457 North Palm Canyon Drive; and a retail sales business at Cabazon, County of Riverside, State of California, under the fictitious firm name of

THE ALLEN-JACK CO.,

and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit: ALLEN R. KRUGER, 2058 Ramon Road, Palm Springs, California

JACK WEINREB, 1008 Central, San Bernardino, California.

WITNESS our hands this 13th day of August, 1948.

ALLEN R. KRUGER, JACK WEINREB, STATE OF CALIFORNIA.

COUNTY OF RIVERSIDE, ss.

ON THIS 23rd day of August, A.D., 1948, before me, Cecile Nelissen, a Notary Public in and for said County and State, residing therein duly commissioned and sworn, personally appeared Allen R. Kruger and Jack Weinreb, known to me to be the persons whose names subscribed to the within Instrument, and acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

CECILE NELISSEN, Notary Public in and for said County and State.
My Commission expires Mar. 17, 1952
Desert Sun, Aug. 27, Sept. 3, 10, 17.

NOTICE OF TRUSTEE'S SALE

A. B. C. 1481
T. O. No. 48-5861

On Tuesday, September 14, 1948, at 10:00 A. M., TITLE INSURANCE AND TRUST COMPANY, as Trustee under and pursuant to Deed of Trust dated May 20, 1946, executed by SUNNY DUNES DEVELOPMENT CORPORATION, a corporation, and recorded June 7, 1946 in Book 754, Page 437, of Official Records in the office of the Recorder of Riverside County, California, will sell at public auction to highest bidder for cash (payable at time of sale in lawful money of the United States) at the Main Street entrance of the County Court House in the City of and County of Riverside, California, all right, title, and interest conveyed to and now held by it under said Deed in the property situate in said County and State, described as:

Lot 25, except the westerly 75 feet thereof, Vista Del Cielo No. 2 Tract as per map recorded in Book 20, Pages 94 and 95 in the office of the County Recorder of said County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the unpaid principal sum of the note secured by said Deed, to-wit: \$7557.20, with interest from March 26, 1948, as in said note provided, (plus the sum of \$406.52 being delinquent interest due as of March 26, 1948) advances, if any, under the terms of said Deed; fees, charges and expenses of the Trustee and of the trusts created by said Deed.

The beneficiary under said Deed, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on May 11, 1948, the undersigned caused said notice of breach and of election to be recorded in Book 908, Page 337, of said Official Records.

TITLE INSURANCE AND TRUST COMPANY, as said Trustee, By A. A. MARTIN, Assistant Secretary.

Date: Aug. 12, 1948.
Publish Desert Sun, Aug. 20, 27, and Sept. 3, 1948.

compact and about the treaty
with Mexico over Colorado water
distribution.

He urged anew that the dis-
pute be settled in the courts, and
he advised other southern Cali-
fornia congressmen to begin
making the sort of fight that Ari-
zona is making over water.

THE MEXICAN TREATY, he
said, is subject to varying inter-
pretations, at least two of which
would make a difference of hun-
dreds of thousands of acre feet an-
nually. The treaty, he said, was
"imposed on California by Ari-
zona and Colorado."

In the interpretation disputes,
he said that if Mexico prevails
"there just isn't going to be the
water that the Metropolitan

Water District has so optimistic-
ally sold to southern California."

While "southern California leg-
islators have been mostly silent,
Congressman Phillips said, those
from Arizona have the favor of
the bureau of reclamation and
have enlisted help from all over
the country.

HE STOPPED SHORT of de-
scribing such projects impossible,
but declared emphatically that
the proposal to bring water
from the Columbia river and
other distant sources originated
in Arizona to arouse opposition
from those areas by enlarging on
the story of southern California's
"water grabs."

He believed that prices have
about hit their peak in most
items except meat, where he said
there may be still more rise be-
fore cattle come off the range in
the spring.

SIMILARLY, he contended that
the housing problem is being
solved, even if slowly, by the
private building industry. Only
400,000 housing units were con-
structed in 1946, he said. Nearly
800,000 were built last year, and
this year's construction might
reach a million.

While the progress hasn't
beaten the housing problem, the
Congressman said, it has made a
dent and the home building in-
dustry is using all available lum-
ber and materials. He acknowl-
edged that lower cost housing is
needed and said the progress
could be speeded up if the build-
ers would make more prefabric-
ated houses and if all involved
would "work harder."

IN HOUSING, prices and re-
lated subjects, Congressman
Phillips derided the idea that this
congress or any congress in the
near future would reestablish
government controls. He re-
peated his well-known conten-
tion that such controls, though
they may give some temporary
relief to part of the population,
lead to black markets and priva-
tion.

Phillips acknowledged "a
great deal of good" is coming
from much of Marshall Plan
spending, but pointed to aspects
which tend to put nations on
relief instead of helping them to
be independent.

PHILLIPS took a grave view of
the general problems of the eco-
nomic future, and said that the
"next President is going to have
to lead the people back to
sounder money."

A long step toward solution of
the inflation problem, he said,
would be taken if people bought
more savings bonds. This would
tend to drain some of the water
out of our currency and bring a
sounder dollar.

Among those present from
Palm Springs at the meeting were
Mr. and Mrs. R. F. Graettinger of
The Desert Sun.

Benefit Game
Slated Tuesday

Benefit game will be played
Tuesday night when the Indio
team and Palm Springs tangle at
the Field Club, according to an
announcement by Bob Bennett,
recreational director.

"All of the collection taken up
that night," said Bennett, "will be
used to defray the medical ex-
pense of those players who were
injured during the summer
games."

High School Grids
Get First Call for
Football Practice

Coach Clare E. Vallagh of Palm
Springs high school issued his
first call for football practice
yesterday and Tuesday is the
date.

He plans to have a week of
football drill before the opening
of school and expects approxi-
mately 40 candidates for positions
on the high school team.

"All students who plan to
come out for football this coming
season," said Coach Vallagh, "are
to report Tuesday morning when
they will be issued their football
suits. I want the boys to get in
a week of hard work before
school starts."

From Page One—MORE ABOUT

This Side of Sun . . .

jump—or, rather, fly . . . Look at
Mayor Charley Farrell who flies
back and forth between Toyon
Bay, the Racquet club and city
council meetings . . . The day I
saw Bering he, too, had just
covered a lot of ground . . .

Earlier that afternoon he had
been at Laguna looking over his
new Beach Tennis club there
which, by the way, will be ready
for its gala opening in six or
seven weeks . . . At 3:30 he took
off in his private plane and came
here to inspect progress at the
Tennis Club . . . At 6:30 he was
in San Clemente at his Beach
House . . . A lot of miles but un-
ruffled . . .

THAT REMINDS ME . . . One
of the top tunes of the Hit Pa-
rade now is "My Happiness" . . .
And the record that put it there
was Jon and Xandra Steele's
version . . . They were at the
Tennis Club last fall and de-
lighted large throngs of Villagers
and winter visitors . . . And mind
if I brag a bit? . . . "It's Magic"
which got favorable mention
herein last Spring with the com-
ment: "Wonder why it never
made the top of the Hit Pa-
rade"—did just that in August . . .

Records make me think of radio
and radio makes me think of tele-
vision . . . I'm glad that Palm
Springs is so situated that tele-
vision is almost impossible here.
It's bad enough when talkative
candidates horn in on your favor-
ite radio program during the
campaign but just think! . . . You
might be enjoying a view of a
beautiful girl on the television
screen only to have it flash off
and the screen light up with a
picture of Henry Agur Wallace!
That's another advantage Palm
Springs has—no television.

THAT TIME is about here . . .
Up and down the Drive the
brown paper is coming down . . .
Windows are blossoming again.
The new season is about upon
us . . . Many business houses and
spots opened Wednesday, others
yesterday or preparing to open
this week end. Although there's a
place on my lapel—if I had a
lapel—for a White Ribbon, I'm
glad to see all of the spots open
again . . . The Doll House last
night and tonight Ruby and Con-
nie will make good that promise
they had on the window of The
Dunes all summer: "We'll be
happy to greet and serve you
Sept. 3." . . . The biggest open-
ing to me, however, comes next
week when The Sun gets going
in its own clean, shiny, paint-
smelling plant . . . That's going
to be fun.

I ACCUMULATED a full pad
of notes for these pieces while
vacationing and am now decod-
ing them . . . One says that just
six years ago Tuesday I started to
work for The Desert Sun . . .
Three items steadily ham-
mered upon in that time have
been accomplished . . . We've got
benches, we're getting street
signs and there aren't so many
pure white buildings to reflect
the sun and blind you . . . Recall
that when I first came out for
colors that wouldn't blind, was
told to wear dark glasses . . . I
just keep my eyes on the sidewalks . . .
But drivers still refuse to dim
or signal, recognize the closed
season on pedestrians and you
still take siestas catch as catch
can . . . Oh, well . . . Also there
was another anniversary last
month . . . The Desert Sun was
21 years of age August 5 . . . Old
enough to vote, now.

AM CONTINUING the transla-
tion of the piled up notes and
will have more deciphered by
Tuesday. Thank you.

Almost Blanked

It was almost a shut-out for the
Junior Chamber of Commerce
Wednesday night in their tilt
with the Desert Hot Springs
team played in that community.
The final tally was 11 to 1. Doc
Backstrom was credited with the
only hit for the Chamber team.

Mexican Colony
Upset by 13 to 2
Figure at DHS

One of the biggest upsets in the
Men's League occurred Monday
night at Desert Hot Springs when
the Mexican Colony lost by a
score of 13 to 2 at the hands of
the Desert Hot Springs team.

Four home runs featured this
contest, two of them by the
league hitting batter, Frank
Gautiello.

The other four-baggers were by
George Ellis and Jim Woodworth.

Softball Schedule

TONIGHT: Desert Stars vs.
Banning Indian Girls. Junior
Chamber of Commerce vs. Palm
Springs Electric.

MONDAY: American Legion
vs. Mexican Colony. Palm
Springs Electric vs. Desert Hot
Springs, at Desert Hot Springs.

TUESDAY: Indio vs. Palm
Springs at Palm Springs. Pete's
Pioneers vs. Tex Driskell's Rang-
ers.

Legion Wins

White Sox Unable To
Undo 8-Run Start

The White Sox Monday night
did their best, but it wasn't good
enough to overcome an early
lead on the part of the American
Legion whose players crossed the
home plate for eight runs during
the first three innings.

The final score was 8 to 6.
Line score:
White Sox . . . 100 023 0-6 6 4
Legion . . . 305 000 x-8 5 5
Batteries: Bill Jones, Herb Pel-
lum; Steve Talavera, Lum
Berry.

Gather Evidence
In Study of Beer
Sales to Minors

Police yesterday placed before
Assistant Attorney Warren
Slaughter evidence which may
lead to the arrest and prosecu-
tion of one or more persons who
may be charged with violation
of the alcohol beverage control
act or contributing to the delin-
quency of a minor, the latter
charge a felony.

Accumulation of evidence ac-
cording to Chief of Police August
Kettmann followed the death of
George Stark in a motorcycle ac-
cident a little after midnight
Saturday.

Stark is said by police to have
attended a teenaged party where
two cases of beer were con-
sumed. A little after midnight
Stark boarded a friend's motor-
cycle for a short spin. His body
was found Sunday morning 135
feet off Ramon road on the Palm
Springs airport. He had crashed
the vehicle through a fence at
high speed, police determined.

Twenty-five to 30 juveniles
who attended the party have
been interrogated," declared the
Chief. "We have found instances
where the juveniles purchased
the beer direct from a merchant
and in other cases where older
persons were used in the pur-
chase."

From Page 1—MORE ABOUT . . .

Title Series . . .

them to Gary Driskell, was just
too much for the Pioneers. Errors
at the wrong time actually lost
the game for the Pioneers.

Chilo Romero, Pioneer pitcher,
was knocked out of the box in the
third inning after allowing five
runs in the first and two in the
third. He was relieved by Eugene
Prieto but he didn't improve the
picture any. Five runs crossed
the plate in the fourth and one
in the sixth.

THE WINNER of this series
will engage the league cham-
pions, Del Tahquitz Indians, for
a three-game series to decide the
winner of the Carpenters and
Joiners Union's cup trophy.

Th youngsters have been put-
ting up a great brand of ball and
their preliminary games to the
bigger stuff have been bringing
the fans out earlier.

Oceania includes islands in the
southern Pacific ocean that are
neither Asiatic nor American.
These include Malaysia, Austral-
asia, and Polynesia.

Winning Indians to
See PCL Contest

Max Dresner of the Del Tah-
quitz hotel is appreciative.

When he took over one of the
ball teams in the Boys' Loop as
a sponsor, the club was in last
place.

He outfitted them with new
suits, new paraphernalia and a
new spirit and re-named them the
Del Tahquitz Indians.

And he got results.

The lad, won the loop title and
as a reward he is going to take
them to Los Angeles to watch
two Pacific Coast league teams
in action and also fill them up
with hot dogs and pop a la the
late immortal Babe Ruth.

Fail to Show Up

The first game Monday night
at the Field Club was a forfeiture,
won by the Globe Trotters of the
Girls' League, when the Banning
Theatre team failed to make an
appearance.

Why

THE SERVEL GAS REFRIGERATOR
IS DIFFERENT AND BETTER

No Noise . . .

Servel stays silent. For the Gas Re-
frigerator operates with a tiny flame.
There's no machinery to get noisy.

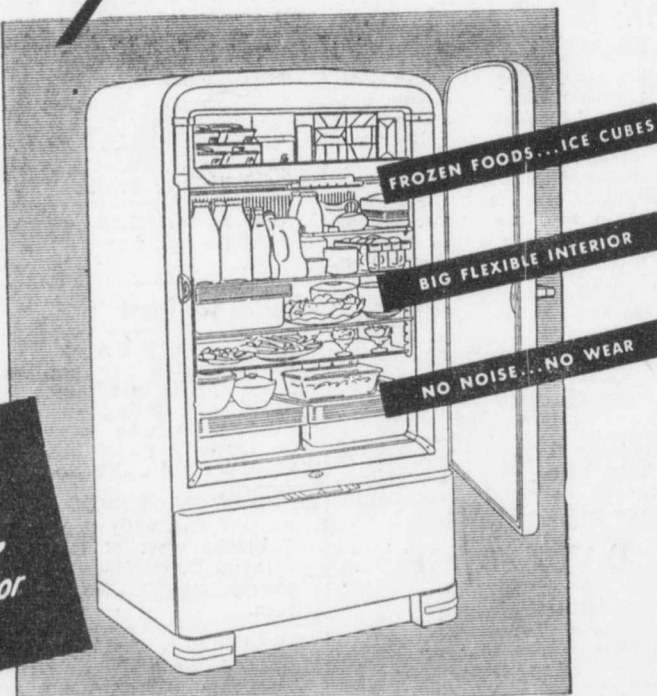

No Wear . . .

Because the freezing system has no
motor—no moving parts. The Ser-
vel is trouble-free!

10-year Guarantee

Made possible because of Servel's
exclusive, wear-proof freezing unit.
Yes, Servel lasts longer. Over
2,000,000 in use. Many in service 20
years.

STAYS SILENT . . . LASTS LONGER
Servel
The GAS Refrigerator

LOOK AT ALL THESE ADVANTAGES which Servel alone combines

A trouble-free freezing system with a 10-year Gas Company guaran-
tee. Big frozen food storage compartment. Plenty of ice cubes—
trigger-release trays. Moist cold and dry cold for fresh foods. Con-
venient meat storage tray. Two dew-action vegetable fresheners.
Handy egg tray. Shelves adjustable to 11 different positions. Rust-
free, scratch-free plastic coated shelves.
